

A BILL FOR AN ORDINANCE

RELATING TO DEPARTMENT OF PARKS AND RECREATION PERMITS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose and Findings. The purpose of this ordinance is to amend the ordinances relating to permits issued by the Department of Parks and Recreation, in particular, this ordinance requires gender equity for sports activities requiring a park use permit.

The Council finds that equal opportunity to participate in and be involved in sport and physical activity, whether for the purpose of leisure and recreation, health promotion or high performance, is the right of every person and that historically, women's activities have often been subordinated to men's activities. City resources should be allocated fairly and without discrimination or preference on the basis of sex or gender and such allocation should redress any inequitable balance in the benefits available to women, men, and persons of any gender. This bill seeks to assure the fair allocation of park facilities without discrimination on the basis of gender.

SECTION 2. Section 10-1.3, Revised Ordinances of Honolulu 1990 ("Permits"), is amended by amending subsection (a) to read as follows:

"(a) Required. Any person using the recreational and other areas and facilities under the control, maintenance, management and operation of the department of parks and recreation must first obtain a permit from the department for the following uses:

- (1) Picnic groups, consisting of 50 or more persons.
- (2) Camping.
- (3) Sports activities conducted by a league, organization, association, group or individual.

A sports activity that requires a permit as provided under this section is subject to the following restrictions, in addition to any other conditions imposed by the rules adopted by the director:
